QuickBooks Pro 2008

Course Description:

QuickBooks 2008 provides standard accounting and business tools so you can work with ease to organize your business finances. Users can quickly create invoices and reports, saving time on routine tasks like payroll. With QuickBooks, you get all the accounting tools you need in one package, and you can share data with Microsoft Office and other applications. Manage customers, vendors, and employees easily, and organize everything in one place.

This is a hands on class designed for users with no prior software knowledge required using QuickBooks.

Text:

QuickBooks 2008 in the Classroom. Book is included in the cost and will be available from the instructor the first class session.
