MobileMe

Kristine DeNunzio

kristine.denunzio@ocps.net

Course Description:

This course covers the MobileMe service available from Apple. Keep your email, contacts and calendars in sync - across computers and with your iPhone or iPod Touch. Access and manage your email, contacts, calendar, photos and files at me.com.

Text: No text is required for this course. All materials will be provided by the instructor.

Suggested Prerequisites: None. Students are required to have an active MobileMe account or can sign up for a free trial version at <http://www.apple.com/mobileme/> in order to sign in and work through with the lesson.

Topics to be addressed:

Students work along with the instructor and are guided, step-by-step, to learn the various features of MobileMe.

Class time includes:

- Features of the service

- Using the online applications at me.com

- Sharing files using your iDisk

- Setting up Sync on your computer and between devices

- Demonstration of the “push” technology from iPhone to MobileMe

*The instructor reserves the right to modify this course outline at any time.
